Serial. 2-10.
Filed. May 1905.

SUBJECT.

Abbigere Anjaneya and certain other temples in the Bangalore Taluk.

(Compensation)

Proceedings of the Government of His Highness

the Maharaja of Mysore

Read:-

Letter No. 3006 dated the 16th November 1904, from the Revenue Commissioner in Mysore recommending the grant of money compensation to the holders of certain Service Inam lands taken up for constructing quarters for the Valvemen of the rising main of the Civil & Military Station waterworks.

Order thereon No. R. 5042-44
Rev. 437-04-2
Dated Bangalore 8th December 1904.

It is represented that these lands are so small in extent that it is not possible to grant in exchange for them, other lands in the locality and are also below the minimum prescribed for subdivision. It is presumed that their deduction from the total extent of the Inam lands granted will not seriously affect their value in the case of village service inams to provide for the remuneration of these servants. Under those circumstances sanction is accorded to the grant of compensation amounting to Rs. 118-3-0 to the several holders of the Inam lands in question, the course suggested by the Revenue Commissioner of holding at the credit of the respective deities the compensation payable on account of Devadaya lands being adopted in respect of them.
